## ONLY ONE REPUBLICAN ELECTED IN MARYLAND

Mudd Chosen to Congress Over Johnson—Senator Smith Re-elected by Plurality of 14,691 Votes.

Special to The Washington Herald. Baltimore, Md., Nov. 4.—John Walter Smith was re-elected to the United States Senate yesterday by a plurality of 14,691 over Edward G. Carrington, Jr., Republican. Most of the votes came from the city of Baltimore, which gave the Senator about 12,000.

All of the Democratic Congressional candidates were elected except Richard A. Johnson, in the Fifth district. He was beaten by Sydney E. Mudd, Jr., Republican, by about 1,600 plurality. Allan McNamee, Democrat, defeated John S. Ennor, Republican, by a small plurality, for judge in the Third judicial circuit.

Both the sewerage and harbor improvement loans were carried in the city by overwhelming majorities. In Carroll, Cecil, and where the local option question was an issue, the "drys" were victorious.

Those elected to Congress were: First district, James D. Price, Democrat; Second, J. P. C. Talbot, Democrat; Third, Charles P. Condy, Democrat; Fifth, Sydney E. Mudd, Republican, and Sixth, David J. Lewis, Democrat.

## Two Republicans Sent to Congress by Rhode Island

Providence, R. I., Nov. 4.—State Senator R. Livingston Beekman was elected governor, carrying with him the entire State ticket. The Republicans gained on Representatives, electing Ambrose Kennedy and Walter R. Stines. The Democrats re-elected George F. O'Shaughnessy. The entire State is in the "wet" column.

**Senator Dillingham Returned.** Burlington, Vt., Nov. 4.—Practically complete returns show that Senator W. P. Dillingham, Republican, has been re-elected to the United States Senate by a vote of 23,888 to 22,888 over Charles A. Proouty, Democratic-Progressive and Prohibition candidate. Returns from all but Essex County give Charles W. Gates, Republican, for governor, 23,102; Harland R. Rowe, Democrat, 24,471.

## Ferris Chosen Governor Of Michigan by 25,000

Detroit, Mich., Nov. 4.—Returns from half the State today indicated the re-election of Woodbridge N. Ferris, Democrat, as governor, by a plurality of 25,000. Frank E. Doremus, Democrat, was re-elected to Congress from the First district. Charles A. Nicholas, Republican, Thirteenth district, was the other Congressional victor in Detroit.

In the Eleventh Congressional district outside of Detroit, Republicans were elected, except possibly in the second, which is in doubt.

## LOSS TO BRITISH PLACED AT 2,000

Germans Think Nearly Every Officer and Sailor Went Down in Fight Off Chile.

## GALE DURING BATTLE

Sir Christopher Craddock, Commander of English Fleet, Is Unaccounted For.

Special Cable to The Washington Herald.

Valparaiso, Chile, Nov. 4.—Officers of the German cruiser Scharnhorst expressed the belief today that nearly 2,000 British officers and sailors had been killed in the naval engagement off Coronel. The British cruiser Monmouth, which was sunk, carried a complement of 618 officers and men, and the cruiser Good Hope, the flagship of Rear Admiral Sir Christopher Craddock, who is believed to have gone down immediately after the battle, carried 500 officers and men. In addition the British cruiser Glasgow and the transport Otranto were struck by shells from the German ships and damaged.

If, as believed, the fire-stricken and abandoned cruiser Good Hope went to the bottom in the battle that was raging during the battle, it is certain that Sir Christopher Craddock, who was commander of the British squadron in Mexican waters, lost his life.

## Germans Ships Little Elected.

The German cruisers Scharnhorst, Gneisenau, and the Nürnberg, which came into this harbor on Sunday night after the engagement, had steam up at dawn ready to depart. They showed but little effect of the fight, and Admiral Graf von Spee, commander of the German fleet in the Pacific, reported that only two men had been wounded on the Gneisenau. There were no deaths, so far as could be gathered.

At the time of the battle a hurricane was raging and no boats could be lowered to pick up survivors, the German officers said.

Armed German transports and the cruisers Leipzig and Bremen are lying off the Talcahuano harbor, wherein the Glasgow took refuge. The Glasgow will probably be dismantled and interned until the end of the war, as she is no match for the German ships which are waiting to engage her if she emerges.

## May Await Japanese Fleet.

The destination of the German fleet is unknown, but it was reported that it would cruise off the South American coast until the Japanese fleet, which is said to be on the way from the Orient, arrives and her strength is ascertained.

The warships in the fleet which defeated the English were the Scharnhorst, Gneisenau, Nürnberg, Leipzig, and Bremen. They won as the result of two factors: heavier ordnance and superior gunnery.

The weather was rainy and foggy and there was a gale blowing when the battle opened. In spite of the rolling of the ships, the Germans made nearly every shot tell. The Germans opened fire at 8,000 meters, but the English reserved their fire until only 5,000 meters separated them from the German ships.

Officers of the German fleet, who came ashore, caused a sensation and were greeted as heroes. They said they believed that the Eastern Pacific had now been cleared of warships.

## OLDEST INHABITANTS VISIT "FURRIN' CLIMES"

A. H. F. Holston and Joseph I. Kiefer Give Talks on Experiences in Europe.

"Furrin' climates" were visited by members of the Association of Oldest Inhabitants of the District of Columbia, who were in the city of Europe, Italy, Germany, and various sections of North America were the itinerary of the sightseeing elders, and a busy evening was spent getting around.

A. H. F. Holston, who was in the province of Hanover, Germany, when war broke out, explained German ways and customs and told his experiences in getting home. His talk was illustrated with lantern slides. Joseph I. Kiefer, who has traveled extensively, showed a collection of pictures taken in many countries of the world.

At the business meeting an amendment to the by-laws was passed, providing that no name can be dropped from the rolls of the association without vote at a full meeting. This is practically a provision for retaining all names that have once appeared on the rolls.

A committee was appointed to arrange for the annual banquet of the association on December 7.

## Germans Question Treatment Of Prisoners in Allies' Camp

Y., Nov. 4.—A plea was presented to the representatives of the American news papers here today, requesting that they use their influence to obtain the appointment of a committee to investigate the treatment of Germans and Austrians in the prison camps of the allies.

## London Hears that Greece Is Preparing to Enter War

# The Choice of the Well-dressed Woman

## La Vida Corset

## What is Said About the LA VIDA Corsets by the Well-known Star of Madam President, FANNIE WARD---

Admittedly one of the most particular and most modestly dressed women of the stage, found time during her brief stay in Washington to select a La Vida Corset at Kafka's. She expressed her admiration for this corset—the choice of women of fashion—saying that it not only gave that perfect foundation for the perfect fit of the gown, but also lent that suppleness to the figure so indispensable to the actress and the society woman.

Women of fashion have found that the La Vida Corset supports the figure properly, while giving that perfect freedom which is necessary to proper poise.

We shall be glad to have you visit our department and have our Corsetiere Mlle. Estelle demonstrate the various new La Vida Models.

## CHAMP CLARK SAYS DEFEATS NO REBUKE TO PARTY POLICIES

Bowling Green, Mo., Nov. 4.—Champ Clark, Speaker of the House, commenting today on the election said: "The result was a great surprise to me, but the defeat of a great number of Democratic Senators and Congressmen is not a rebuke to the policies of President Wilson. It is just a natural occurrence, one that might happen during these days of general mix-up. The European war may have had something to do with it."

## G. O. P. COMING BACK, ASSERTS GALLINGER

Tuesday's Election Means Republican President in 1916 and Disappearance of Progressives, He Thinks.

Concord, N. H., Nov. 4.—Jacob H. Gallinger, re-elected as Republican Senator from New Hampshire in yesterday's voting, said today: "The significance of yesterday's election is that the Republican party is coming back into power in this country. Beyond a question a Republican President will be elected to the Presidency in 1916, and both houses of Congress will also be Republican."

"The effect of the election this year will be to stimulate business to a considerable extent, and the complete success of the Republican party two years hence will result in the enactment of a tariff law that will adequately protect the American manufacturer and the American laboring man by at least equalizing the cost of production at home and abroad."

"The Democratic party will go into the discard for many years to come, and the Progressive party will disappear as completely as former third parties have done in this country."
